

VILLAGE OF

*a great place to live, work, and play***BARRINGTON**

www.barrington-il.gov

**A GREAT PLACE!**

Barrington is a beautiful, historic suburb that takes pride in its hometown charm and small-town heritage.

More than 300 unique shops and restaurants are clustered in five distinct retail areas.

The Village Center is the heart of town, with its stately Victorian homes, historic buildings, quaint shops, and restaurants for every palate.

DID YOU KNOW?

86 new trees were planted in the Village of Barrington in 2016?

17th Annual Scarecrow Festival**October 21, 11:00 a.m. - 2:00 p.m.**

Barrington's annual Scarecrow Festival returns Saturday, October 21, from 11:00 a.m. until 2:00 p.m. at Memorial Park in downtown Barrington.

This family-friendly event is **FREE** and open to the public and will feature pony rides; scarecrow, pumpkin and cookie decorating; and fun games for the kids.

Bob the DJ will be on hand to delight the crowd with his special costume and favorite spooky songs. Pumpkins, cookies, and materials for scarecrows will be provided; festival goers may bring clothing and accessories to personalize their creations.

There will also be a variety of food options which will be available for purchase. Come and join the fun!

**Vote for Your Favorite Scarecrow in the Village!****Vote Begins October 1 and Ends October 31**

Scarecrows have been decorated all over the Village by our merchants, businesses, and local organizations. Vote for your favorite scarecrows by going to the Village's web site at www.barrington-il.gov. Click the QUICK LINK in the upper right-hand corner and hit "Scarecrow Decorating."

Click on the photo of your favorite scarecrow and a vote will automatically be cast or visit the Village Facebook page at Facebook/Village of Barrington and 'like' your favorite scarecrows. Vote for as many as you like – but it's only one vote per email per scarecrow!

The contest ends on October 31. Winners will be announced on the Village web site on Wednesday, November 1.

**Public Safety Open House: Oct. 7**
Learn About Safety, See & Touch the Fire Trucks, Meet Sparky the Dog

In recognition of Fire Prevention Week, Barrington will host its annual Public Safety Open House on Saturday, October 7, 2017 from 9:00 a.m. until 12:00 p.m. at the Public Safety Building at 400 N. Northwest Highway.

Citizens have the opportunity to meet and greet fire personnel and learn valuable safety information. Kids can come see rescue vehicles, try some of the equipment, enjoy refreshments, and meet Sparky the Dog. Special entertainment will be presented by Master Ron!

Farmers' Market Runs Through Oct. 19

Don't Miss the Season's Best Produce!

Barrington's weekly Farmers' Market runs every Thursday until October 19 from 2:00 p.m. to 7:00 p.m. in the Park Avenue parking lot and features fresh produce, meats, pastries and bread, flowers, and other items from local farmers and producers. Ready-to-eat food and drink are also available. Fun for the whole family!

For more information, go to www.barringtonfarmersmarket.com.

Walk to School Day

October 4, 2017

The Village of Barrington will be participating in International Walk to School Day on Wednesday, October 4, 2017. All Barrington elementary schools are invited to participate. This event is a great way to teach children about healthier habits and a cleaner environment while promoting safety.

Barrington Homecoming Parade

October 7, 10:00 a.m.

Continuing Barrington tradition, the Barrington homecoming parade will be held Saturday, October 7, 2017 at 10:00 a.m. (from Sprint St., west on Main St. to Hart Rd., to BHS entrance). Experience marching bands, cheerleaders, pom squads, class floats, returning alumni, and so much more!

Barrington Community Job Fair

October 17, 12:00 p.m. – 6:00 p.m.

Need a job? Having trouble finding great employees? The Village of Barrington and the Barrington Area Chamber of Commerce are co-hosting a Job Fair on Tuesday, October 17, from noon to 6:00 p.m. at the Barrington Park District's Langendorf Park (235 Lions Drive).

Local employers may sign up for a **FREE** table by calling the Chamber at 847-381-2525. Job openings will be available in a variety of industries, from restaurants and retailers to technology, banking, and more.

WE'RE HIRING!

Village Seeks Seasonal Support Staff

The Village is seeking seasonal support staff for a variety of snow and ice control activities, including snow plowing, salting, hand shoveling, and other duties as assigned. Because this is a seasonal support position, the typical work week will vary, depending on weather conditions. Applications are available on the Village's website at www.barrington-il.gov or at Village Hall. For more information, contact Human Resources at (847) 304-3415.

A MESSAGE FROM KAREN DARCH

*President,
Village of Barrington*

Village of Barrington Works With Barrington Park District on Land Swap to Improve Flooding At Miller Park

I'm very pleased to announce that the Village of Barrington is in the process of finalizing a partnership agreement for a land exchange with the Barrington Park District that will assist the Village in reducing flooding in the Miller Park area (Summit and Lincoln Avenue).

Under a joint intergovernmental agreement, the Village of Barrington would transfer ownership of Meinhard Park (at the corner of Bristol Drive and Concord Lane) to the Barrington Park District and, in exchange, Barrington Park District would transfer ownership of the open space area of Miller Park to the Village of Barrington (except for the Roy Wilmering Scout Cabin and its immediate surroundings, which would remain owned by the Barrington Park District).

The Village then plans to [redevelop Miller Park as a combination of open space and a new storm water retention pond aimed at lowering the risk of neighborhood flooding](#) – a much-needed improvement to this flood-prone area. Meanwhile, the Barrington Park District would improve Meinhard Park with playground and other equipment appropriate for a neighborhood park.

I am particularly excited about this partnership with the Park District because it exemplifies the benefits of governmental bodies working together to achieve a better outcome for our community.

Because our community is served by a wide variety of completely separate governmental entities, including the Village, the Barrington 220 School District, the Barrington Park District, the Barrington Library District, and so on, it is often easy to be confused about which governmental entity has which responsibilities.

The Village of Barrington is a general-purpose local government charged with providing for the public's safety and doing the many things traditionally associated with government. The Park District is a special-purpose unit of government with a single purpose – to provide the community with parks and recreation. So while the Park District would not establish a fire or police department and the Village would not create a dog park, in the case of the Miller/Meinhard Park swap, each of our respective jobs is made better by our cooperative effort.

Through this land swap, the Village will enhance storm water management, and the Park District will have a great new recreation space for the neighborhood. We both look forward to fulfilling this greater purpose for our community through this important partnership.

Karen Darch
President, Village of Barrington

VILLAGE UPDATES

Village Board Approves Brentwood Townhomes at Grove Ave. & Dundee Rd.

At its regular meeting on September 11, the Village of Barrington Board of Trustees unanimously approved a new townhome subdivision at Grove Avenue and Dundee Road, following numerous public hearings and review by the Village of Barrington Plan Commission and Architectural Review Commission.

The development by M/I Homes, called "Brentwood," will include 61 townhomes on 11.33 acres. It features park-like open space with a connection to a new bike path to be developed on Dundee Road from Barrington Road to Prairie Middle School.

The development lies in a mixed-use area of office and residential properties along Grove Avenue. Its 5.38 units-per-acre density is consistent with multi-family projects in the Village that have been approved in recent years in

order to bring more diverse housing options for younger families, young professionals, and empty nesters. These include both the 101 W. Liberty Street apartment complex currently under construction and the Roslyn Meadows townhome development coming next year.

The subdivision's location is desirable due to its proximity to the middle school, the District 220 Early Learning Center, and Ron Beese Park.

The 61-townhome development includes park-like open space and a connection to a new bike path on Dundee Road.

101 West Luxury Apartments Are on the Rise at South Hough Street

You've probably noticed that the steel has been laid and the walls are going vertical at 101 West, the new luxury apartment community at the corner of Liberty and Hough Streets (north of McGrath's Volvo dealership).

The late delivery of steel might have slowed summer progress somewhat, but it's now full speed ahead. The developers, Monroe Residential Partners, have projected an completion date of April 2018.

This modern, loft-style building will consist of 64 units, with a mix of one-bedroom and two-bedroom-plus-den options. The community will feature amenities such as a rooftop terrace with fire pit and outdoor grilling stations, underground heated parking, community lounge, and fitness center.

The 101 West showroom and leasing office is now open by appointment in the courtyard just beyond Francesca's. Pre-leasing opportunities are available, with 10% of the building already reserved. For more information or to schedule a private tour of the showroom, contact **Michael Kurowski at Jameson Sotheby's International Realty; info@monroe101west.com.**

Looking for Architectural Review Commission Members

Are you interested in getting more involved with the Village? We can use your help! The Village of Barrington is seeking citizens who would be interested in serving their community through the Architectural Review Commission.

Those with expertise or interest in landscape architecture, historic preservation, architectural design, zoning or land use issues are encouraged to send a resume to mmarcordes@barrington-il.gov.

This is a volunteer position serving as a member of the Village Board-appointed Architectural Review Commission (ARC).

It's Leaf Season Again

Autumn is a time of year when those beautiful leaves begin to fall to the ground and need to be disposed of. In order to be more environmentally friendly, we are asking that you consider mulching or composting your leaves.

Being "green" will help to reduce the energy expended for transportation, processing, and disposal. If you have leaves that cannot be mulched or composted, you may utilize your large green yard waste tote or purchase leaf bags at Jewel/ Osco.

Please do not rake or blow your leaves on to the street, as this can create safety issues and clog storm drains and pipes.

VILLAGE NEWS YOU CAN USE

Fall Chipper Schedule

Monday, October 2 - North of Main Street
Monday, October 9 - South of Main Street

Get ready for the Chipper! Please have all the material out to the curb by 7:00 a.m. on your designated Monday morning. Stack branches neatly in a long, low pile on the parkway, with the cut end facing the curb. Please note that Public Works crews cannot pick up material on private property, and the Chipper will make only ONE pass through your neighborhood.

Branches may be up to 10" in diameter and at least 4' in length. The following items cannot be picked up: root balls and stumps; building materials; anything with nails, wire or bolts; any materials placed in a box or garbage can; grass; leaves; or any materials other than wooded branch materials. Remember to utilize your Groot yard waste tote throughout the season.

.....

Need to Shred? Bring Your Papers to Our Document Destruction Event

**October 28, 2017,
9:00 – 12:00 p.m.**

On Saturday, October 28, the Village of Barrington will host a Document Destruction Event at the North Commuter Lot from 9:00 a.m. – noon. (Enter at Klingenberg Lane and Northwest Highway.) T

The event is sponsored by the Solid Waste Agency of Northern Cook County (SWANCC), and *residents from Barrington and other SWANCC communities are eligible to participate. However, materials will not be accepted from non-SWANCC residents, businesses, schools, or institutions, and IDs will be checked for verification of residency: www.swancc.org/swancc-member-communities.*

Acceptable documents can include medical forms, bank statements, personal files and retired tax forms. There is a limit of six (6) file boxes or paper bags, and all plastic, metal clips or binders must be removed. DO NOT bring paper in plastic bags. Plastic is a contaminant, as are photos, slides, and any non-paper items. Workers will remove the paper documents while residents stay their vehicles. Paper is cross-shredded on site and will be recycled at a mill to make new paper products.

"Every consumer is at risk of identity theft, and criminals have gotten very astute at going into garbage cans and recycling bins to steal names, addresses and even bank account numbers," said Mary Allen, SWANCC's Recycling and Education Director. "Because of this constant threat, SWANCC wants to assist residents with destroying their personal information, making sure that all shredding is done on site at the host location before being recycled."

For more information on SWANCC's Document Destruction Events or other programs and resources, please visit SWANCC's website at swancc.org or call (847) 724-9205.

Feeling the Impact of Parking and Traffic Woes in the Village? You're Not Alone

School's back in session, and anyone who commutes to work knows what that means – increased traffic and tighter parking in the Village. When school starts again in the fall, most people are back from summer vacations and back at work, making this one of the most difficult times of the year for commuters.

But this fall, a number of unique events have combined to create even more headache-inducing traffic woes in our area, including new school start times and ongoing Village and IDOT construction projects.

The good news? Historically, we have seen that traffic and parking eases somewhat as fall goes on, when commuters adjust and settle into new patterns.

The bad news? The Village's Sanitary Sewer Replacement Project will continue to have an impact on parking in the North Commuter Lot through March of next year, as additional spaces are being used to house construction equipment and sewer pipe is installed under the railroad tracks beginning in early 2018.

This work requires a large excavation pit and a crane that will push the pipe under the tracks from the North Commuter Lot. Due to the proximity and impact of construction in the North Commuter Lot, a portion of this lot was required by the contractor as a staging area. Additional closures in this lot began in September, and the closures will remain in place until the completion of work on the north side of the tracks in spring 2018.

To accommodate parkers in this lot, the Village has arranged for 100+ additional temporary parking spots on the south side of the tracks through Harris Bank and along various streets. Permits may be purchased at Village Hall.

The Village is working hard to complete these critical infrastructure improvements with the least disruption we can achieve given the project's complexities. However, we do understand the inconvenience that these closures can cause to our residents and commuters. We greatly appreciate your understanding during this time.

Village Manager

CREATING A MORE VIBRANT BARRINGTON

Skin Wellness by Renee Celebrates Ribbon-Cutting

Congratulations to Skin Wellness by Renee on its move to a new location at 205 S. Cook St.

The company recently celebrated its ribbon-cutting with the **Barrington Area Chamber of Commerce** and Village President **Karen Darch**, Village Manager **Jeff Lawler**, and Economic Development Director **Peggy Blanchard**.

Skin Wellness by Renee provides personalized skin treatments with a fusion of science and natural botanicals uniquely designed to deliver results.

For more information, call (847) 525-3640 or visit www.skinwellness.com.

EwelineB Celebrates Opening at the Ice House Mall

Tuesday, October 31,
3:00 - 7:00 p.m.

Trick-or-Treat! Tuesday, October 31, 3:00 – 7:00 p.m.

Safety Tips for a Happy Halloween

Halloween is a cherished tradition, but the excitement of the night can cause children to forget to be careful. Please review the safety tips below and share them with your child to ensure a safe Halloween.

- Use face paint instead of masks to ensure your children can see well, and provide them with lights or reflective tape to ensure that they can be seen by others.
- Instruct your children to approach only those homes that are well-lit and never to enter a stranger's home.
- Instruct your children to eat nothing until they come home and the treats have been inspected by you.
- Instruct your children to travel only in familiar areas and along an established route.
- Do not light your pumpkin with a candle; instead use a flashlight or cold chemical light-stick.

- Autumn leaves, dry corn stalks, berry branches, similar fall decorations, and even some Halloween costumes can be hazardous. Keep lighted bulbs, open fires, and even adult smoking materials at a safe distance.

Notify the police department of any unusual occurrences or incidents. Call 911 in an emergency.
